

# Here are some examples of the opportunities we have for volunteers...

## Beach trailer volunteer

### If you enjoy...

- far reaching views of the coast and Slapton Ley
- meeting people and learning about the nature reserve
- sharing your love of the local area with adults and children

Summer holidays (late July to September)  
from one to five days a week, 12 noon-4pm.

## Volunteer minibus driver

### If you enjoy...

- driving
- working with friendly staff and children
- and want to discover more about the wildlife and landscape of South Devon

We will provide training in minibus driving if needed.

## Volunteer Lab and Field Equipment Technician

We are looking for someone who likes fixing things to keep our lab and field equipment in good working order, to include...

- weekly stock-take.
- basic repairs e.g. mending tape measures and replacing batteries.
- making basic equipment e.g. Quadrat frames for monitoring vegetation.
- could include soldering electrical equipment.

This is not all we have to offer. We also need support with admin, marketing, within our education department, on the reserve, delivering activities and workshops to children and families, data collation and analysis, we may start a community garden to grow food for the centre... the list goes on!

**Who are we?** Slapton Ley Field Centre is part of a nationwide organization called Field Studies Council (FSC) who cares for the National Nature Reserve. [www.slunnr.org.uk](http://www.slunnr.org.uk)

**The organisation:** FSC is a charity dedicated to helping people of all ages to experience the environment at first hand; to discover, explore and be inspired by the natural world. [www.field-studies-council.org](http://www.field-studies-council.org)

**What do we do?** The Field Centre has developed an excellent reputation for the delivery of high quality Geography and Biology courses at 'A' level. We also provide courses for visiting university groups and individuals for professional development and leisure learning including family breaks, children's activities, adult courses (natural history and art) and free events.

**Where are we?** Slapton Ley Field Centre is located on the seaward side of Slapton village. The 93 bus from Dartmouth and Kingsbridge stops at the Nature Reserve.

**Why volunteer with us?** Enjoy tea and delicious homemade cakes.

Discover more about the wildlife and landscape of South Devon from the Start Bay Coast to the rivers of Dartmoor.

To support our work inspiring people of all ages across Britain, to discover, explore and be inspired by the natural world.
