

Hello from the attic,

It's getting cold up here and I'm sorry to bring it up but Christmas is upon us!

## Christmas Lunch

I said it – Christmas is coming! This year we will be having a lovely lunch here at the Centre on:

**Wednesday 7 December**

This will be a chance for us to get together and have a yummy lunch, say thank you for all your hard work this year and also to say goodbye to Nick Binnie who will be leaving after 16 years of working as the Reserve Manager here at FSC Slapton.

The menu will be:

**Mixed platters to start**

**Turkey and all the trimmings**

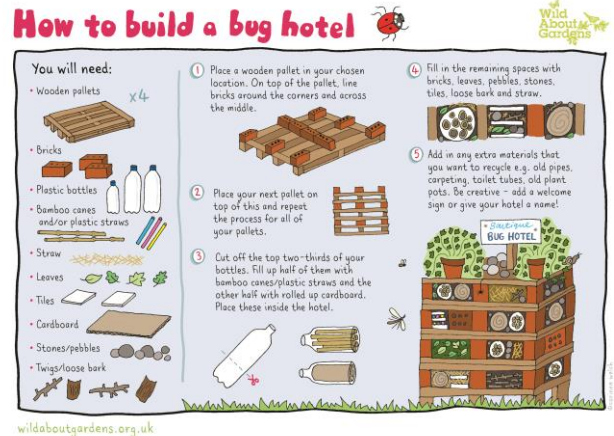

(vegan/veggie let me know in advance)

**Chocolate desert and mince pies**

(full menu to be confirmed)

If you would like to come, please let me know asap (**by the latest Wednesday 16 November**) and let me know if you have any allergies or if you would like a veggie or vegan option.

## Start Bay Centre Invertebrate Garden

Our Conservation Action volunteers are working on a project at Start Bay Centre to encourage invertebrates into the garden. We are collecting bits and bobs to help create habitats – can you help? We're looking for:

- Bricks with holes' in
- Off cuts of wood
- Small boxes, trays or containers (wood, metal or plastic)
- And anything else you might think would be handy!

Let me know if you think you can help.

## Volunteer outing to Buckland Abbey

Don't forget to get in touch if you'd like to come to Buckland Abbey on Monday 21 November.

If you need me for anything, please get in touch.
